

## **1. INTRODUCTION**

Claybrooke Parva Parish Council (the PC) recognises that the efficient management of its records is necessary to comply with its legal and regulatory obligations and to contribute to the effective overall management of the PC.

This policy applies to all records created, received or maintained by the PC in the course of carrying out its functions. Records are defined as all those documents which facilitate the business carried out by the PC and which are thereafter retained, for a defined period, to provide evidence of its transactions or activities. These records may be created, received or maintained in hard copy or electronically.

The PC will retain its important documents, both electronic and paper documents for the periods listed in the table below (consistent with advice from NALC Legal Topic Note 40 – September 2016). These periods are to be considered as minimum retention times. The Clerk will be responsible for ensuring that the documents are filed in an orderly and secure manner at all times. Documents will be made available on the PC's website.

## **2. RESPONSIBILITIES**

The Clerk is expected to manage the current record keeping systems using the retention schedule and to take account of the different retention periods when creating new record keeping systems. This retention schedule refers to record series regardless of the media in which they are stored.

## **3. CORRESPONDENCE**

General correspondence and emails will be retained for as long as is relevant, the minimum period is 3 months. An annual review of all documentation should be carried out and items that have reached their deletion or destruction date being deleted/destroyed and the remainder be considered for archiving.

It is down to individual Councillors to delete emails in their allocated Councillor email account.

## **4. TRUSTS**

As there is no limitation period in respect of trusts, councils are advised that they should never destroy trust deeds and scheme and other documentation.

Some types of legal proceedings may fall into two or more categories. NALC recommends that the longest of the limitation periods is adhered to.

## **5. RECORDS IDENTIFIED FOR PERMANENT PRESERVATION**

These should be archived once there is no longer an administrative need for them.

## 7. RECORD-KEEPING

To ensure records are easily accessible, it is necessary to comply with the following:

- All files will be stored in a safe and secure place.
- Electronic files will be saved using relevant file names and be backed up periodically on a portable hard drive. Documentation no longer required will be disposed of in line with Section 8.

## 8. RECORDS TO BE DESTROYED

To protect confidential information, all records assigned for disposal should be securely destroyed. Paper records containing confidential information should be shredded. Electronic records should be deleted from digital files.

## 9. RETENTION OF DOCUMENTS
